## Work experience

### Senior Writer

*Esports.gg, Remote – (June 2021 - Present)*

Counter-Strike writer producing regular high-quality content in the CSGO section.

Maintained high SEO and Readability scores in content, and created Reddit posts for the content.

Developed relations with Tournament Organizers and Team Managers to get interview opportunities. Proactively covered unique storylines like WePlay Academy League.

Attended tournament press sessions and media days to interview players before and during tournaments.

Attended events in person, conducting interviews with professional players.

Created original journalistic reports surrounding the PGL Stockholm Major and analyzed Post-Major Fatigue in the scene.

Helped create the ALGS awards system.

## Social Media Editor

*Ultra Gear Gaming (LG), Remote – (May 2022 - September 2022)*

Worked under strict deadlines to create twitter content for the @UltraGearGaming twitter handle.

## Freelance Writer

*Gamezo.co.uk, Remote – (April 2021 - June 2021)*

Counter-Strike writer producing regular high-quality content in the CSGO section.

Gained SEO training. Worked with a team of writers and Editors.

---

## Skills

### SEO Optimization ★★★★★

Experience using Yoast SEO for maintaining high Search Engine Optimization and creating content for regularly searched terms using Google trends.

### Autonomous ★★★★★

I can work without supervision or prompting from Editors. I have worked on keeping the CSGO section up-to-date without the aid of other writers.
